

# Satellite Blues

## AC/DC

She makes the place a jumpin'  
The way she moves around  
She like a rump and rollin'  
That's when she get it out  
And when she start a rockin'  
She bring me to the boil  
She like to give it out some New satellite blues (new satellite blues)  
New satellite blues (new satellite blues) A picture clear for watchin'  
The dish is runnin' hot  
The box is set for pumpin'  
She gonna take the lot  
The way she get the butt in  
She's gettin' set to ball  
I like to chew it up some  
New satellite blues (new satellite blues)  
New satellite blues (new satellite blues), yeah yeah  
New satellite blues (new satellite blues)  
New satellite blues (new satellite blues) Can't get nothin' on the dial  
The frigin' thing gone wild  
All I get's the dumbed down news  
New satellite blues New satellite blues (new satellite blues)  
New satellite blues (new satellite blues)  
I got the satellite blues (new satellite blues)  
New satellite blues (new satellite blues)  
This thing's nothing but a load of crap  
I'm gonna send it right back  
You can stick it where it hurts... Mac! I got the new satellite... blues!
