

High (Dont Play With Matches Version)

Tabitha's Secret

She had said, don't cry
Said it only hurts forever, and all we have is time
Yeah, she said, she will never know
So close your eyes turn down the lights
And I can start this show Yeah well I can't sleep, so I believe
If the shades are drawn then the slate is clean
So don't look at pride
Well there is no other way now, no Don't try to make no sense of this scene
It's just between Caroline and me
And we keep changing Yeah we can grow like a board on the shore
She says I'm restless just a little more time
Well you know damn well she wants, to feel this high
Yeah we knew, just who we were, ah
Yeah well who we thought we'd try to be
And who it's gonna hurt
Oh but if I'd stayed, if I was strong at all
Well then I wouldn't be with someone else
I know where I, belong Yeah still I can't sleep, so I believe
If the shades are drawn then the slate is clean
So don't look at pride
Well there is no other way, yeah Don't try to make no sense of this scene
It's just between Caroline and me
And we keep changing, oh anyway Yeah we can grow like a board on the floor
She says I'm restless just a little more time, a little more time
Well you know damn well she wants, to feel this high
Yeah well I can't sleep, so I believe
If the shades are drawn then the slate is clean
So don't blush that's right
Well there is no other way, yeah, a yeah
I'm singing here right Don't try to make no sense of this scene
It's just between Caroline and me
And we keep changing, oh anyway Yeah we can grow like a board on the floor
She says I'm restless just a little more time, a little more time
Well you know damn well she wants to feel this, high She wants to feel this high, high
High, high, high, high
