

# Asleep in the Light

Keith Green

Do you see, do you see all the people sinking down?  
Don't you care, don't you care are you gonna let them drown?  
How can you be so numb not to care if they come?  
You close your eyes and pretend the job's done Bless me Lord, bless me Lord You know it's all  
I ever hear  
No one aches, no one hurts no one even sheds one tear  
But He cries, He weeps, He bleeds and He cares for your needs  
And you just lay back and keep soaking it in Oh, can't you see it's such a sin? 'Cause He brings  
people to you door  
And you turn them away as you smile and say  
God bless you, be at peace and all heaven just weeps  
'Cause Jesus came to you door you've left Him out in the street  
Open up, open up and give yourself away  
You see the need, you hear the cries so how can you delay?  
God's calling and you're the one but like Jonah you run  
He's told you to speak but you keep holding it in Can't you see it's such a sin?  
The world is sleeping in the dark that the church just can't fight  
'Cause it's asleep in the light  
How can you be so dead, when you've been so well fed  
Jesus rose from the grave and you, you can't even get out of bed  
Jesus rose from the dead, come on, get out of your bed How can you be so numb not to care if  
they come  
You close your eyes and pretend the job's done  
You close your eyes and pretend the job's done  
Don't close your eyes, don't pretend the job's done  
Come away, come away, come away with Me my love  
Come away from this mess, come away with Me, my love  
Come away, come away, come away with Me my love  
Come away from this mess, come away with Me, my love  
Come away, come away, come away with Me my love  
Come away from this mess, come away with Me, my love
