

# I'm the Only One

[Melissa Etheridge](#)

Please, baby, can't you see my mind's a burnin' hell?  
I got razors a rippin' and tearin' and strippin' my heart apart as well  
Tonight, you told me that you ache for something new  
And some other woman is lookin' like something that might be good for you [CHORUS] Go on  
and hold her 'till the scheming is gone  
Go on believe her when she tells you nothing's wrong  
But I'm the only one who'll walk across the fire for you  
I'm the only one who'll drown in my desire for you  
It's only fear that makes you run  
The demons that you're hiding from  
When all your promises are gone,  
I'm the only one Please, baby, can't you see I'm trying to explain  
I've been here before, and I'm locking the door  
And I'm not going back again  
Her eyes and arms and skin won't make it go away  
You'll wake up tomorrow and wrestle the sorrow that holds you down today  
[CHORUS]
