Runaround Sue

Dion & The Belmonts

Here's my story, it's sad but true
It's about a girl that I once knew
She took my love then ran around
With every single guy in townI should have known it from the very start
This girl will leave me with a broken heart
Now listen people what I'm telling you

A-keep away from-a Runaround Sue, yeahI might miss her lips and the smile on her face

The touch of her hand and this girl's warm embrace

So if you don't wanna cry like I do

A-keep away from-a Runaround SueShe likes to travel around, yeah

She'll love you and she'll put you down

Now people let me put you wise

Sue goes out with other guys

Here's the moral and the story from the guy who knows

I fell in love and my love still grows

Ask any fool that she ever knew, they'll say

A-keep away from-a Runaround SueYeah, keep away from this girl

I know, know what she'll do

Keep away from SueShe likes to travel around, yeah

She'll love you and she'll put you down

Now people let me put you wise

A-she goes out with other guysHere's the moral and the story from the guy who knows

I fell in love and my love still grows

Ask any fool that she ever knew, they'll say

A-keep away from-a Runaround Sue, yeah

Stay away from that girl

Don't you know what to do nowKeep away from that girl

Don't you know what to do now
