

# Get In Line ("King of the Hill" Soundtrack)

## Barenaked Ladies

Everywhere I go someone's trying to by my girlfriend's best friend  
I'm trying to pretend I'm relaxed, but I'm playing castanets with my knees  
I try to be cool and give her space  
But a guy's always there ready to jump right up and take my place  
Everyone in this room seems to want to make a big fool out of me  
Everybody open your mouth  
(Everybody, everybody)  
Everybody just say "ah" (Ah, ah, ah)  
Everything'll be all right  
If you play along  
Everywhere I go there's someone in a trenchcoat staring at me  
When I'm not at home I'm sure someone's rummaging through my trash  
Whatever could they want from me?  
Is it just a part of a giant government conspiracy?  
I gotta go see my doctor about this itchy pentagram-shaped rash  
Everybody open your mouth (Everybody, everybody)  
Everybody just say "ah" (Ah, ah, ah)  
Everything'll be all right  
This won't hurt at all (Turn it up)  
Everybody get in line (Everybody, everybody)  
Everybody turn and cough (Ah, ah, ah)  
Everything'll be all right  
If you just lay off  
Dictate a memo to myself  
Try to find if I'm the only one in complete health  
Consult contemporaries if there are some to see  
There really isn't anyone who's in my league  
But me  
Every night at a lane someone thinks they've got a fine bead on me  
I try to take three deep breaths as I lock in on my minivan  
Everyone says I'm looking great  
But it's hard to stand up, let alone to try to concentrate  
I wish that everyone I knew hadn't sold out to The Man  
Everybody open your mouth (Everybody, everybody) (Oh)  
Everybody just say "ah" (Ah, ah, ah)  
Everything'll be all right  
This won't hurt at all  
Everybody get in line (Everybody, everybody) (Oh)  
Everybody turn and cough (Ah, ah, ah)  
Everything'll be all right  
If you just lay  
Everything'll be all right  
If you just lay (Ah, ah, ah)  
Everything'll be all right  
If you just lay off (Ah, ah, ah)
