

F-VR (feat. Candice Pillay & No Riddim)

Far East Movement

This atmosphere is even farther
Don't know no one but you and me we keep it undivided
Now if I ever feel a type of way, fold up and light it
We real about it, we still about it Forever and ever, we on this forever
We ridin' forever 'cause we good forever
We own this forever, yeah all this forever
We all in forever, ever, ever, ever Ever, ever (we all in)
Ever, ever (oh)
Ever, ever (we all in)
Ever Ever, ever (we all in)
Ever, ever (we all in)
Ever, ever
Ever and ever, we on this forever
'Cause we good forever
We own this forever
We all in forever, ever, ever, ever This atmosphere is hella vibin'
Don't know no one but you and me we keep it undivided
Now if I ever feel a type of way, fold up and light it
We real about it, we still about it Forever and ever, we on this forever
We ridin' forever 'cause we good forever
We own this forever, yeah all this forever
We all in forever, ever, ever, ever Ever, ever (we all in)
Ever, ever (oh)
Ever, ever (we all in)
Ever
Ever, ever (we all in)
Ever, ever
Ever, ever (we all in)
Ever, ever Forever and ever, we on this forever
We ridin' forever 'cause we good forever
We own this forever, yeah all this forever
We all in forever, ever, ever, ever Ever and ever, we on this forever
We ridin' forever 'cause we good forever
We own this forever, yeah all this forever
We all in forever, ever, ever, ever
