

# Heaven on My Mind

Becky Hill & Sigala

Last night, I had a dream  
Was up in the clouds  
Was finally free  
I heard a choir  
Started to sing  
The songs that we sang  
When you were with me I never thought I'd be so high  
There's no need for me to hide  
All I need is right here with me now  
I can feel it in my bones  
Almost like I'm comin' home  
Nothin' in this world can bring me down  
I've been searchin' for a sign  
Everything is gonna be alright  
Got no religion  
But tonight, baby  
I got heaven on my mind Now I'm standin' in the light  
Everything is gonna be alright  
Got no religion  
But tonight, baby  
I got heaven on my mind Heaven on my, heaven on my, ah, ah, ah-ah  
Heaven on my, heaven on my, ah, ah, ah-ah  
Heaven on my, heaven on my, ah, ah, ah-ah  
Heaven on my, heaven on my, ah, ah, ah-ah  
Heaven on my, heaven on my mind  
Oh, angel of mine  
You're all I need  
To reach paradise  
All of my worries and fears  
Are carried away  
When you are near  
(When you are near) I never thought I'd be so high  
There's no need for me to hide  
All I need is right here with me now  
(Right here, right here)  
I can feel it in my bones (In my bones)  
Almost like I'm comin' home (Comin' home)  
Nothin' in this world can bring me down I've been searchin' for a sign  
Everything is gonna be alright  
Got no religion  
But tonight, baby  
I got heaven on my mind

(Heaven on my mind)  
Now I'm standin' in the light  
Everything is gonna be alright  
Got no religion (No religion)  
But tonight, baby  
I got heaven on my mind Heaven on my, heaven on my, ah, ah, ah-ah  
Heaven on my, heaven on my, ah, ah, ah-ah  
Heaven on my, heaven on my, ah, ah, ah-ah  
(Heaven)  
Heaven on my, heaven on my, ah, ah, ah-ah  
(Heaven)  
Heaven on my, heaven on my mind  
(On my mind, oh) Heaven on my mind  
Heaven on my mind  
Heaven on my mind  
Heaven on my mind  
(Heaven on my mind)  
Heaven on my mind  
Heaven on my mind
