

Changing of the Seasons

Two Door Cinema Club

So it's over? I didn't realize
It's so much colder
But it was no surprise Did you ever
Get to know me?
'cause it has never been so plain to see And when you say you won't forget me
Well I can tell you that's untrue
'cause every day since you left me
I've thought less and less of you And I've worn out all the reasons
To keep on knocking at your door
Could be the changing of the seasons
But I don't love you anymore
The door is open
You whispered to me
As you stood frozen
In deep uncertainty I hope that you know
What I am thinking
Before you go
With your heart sinking And when you say you won't forget me
Well I can tell you that's untrue
'cause every day since you left me
I've thought less and less of you And I've worn out all the reasons
To keep on knocking at your door
Could be the changing of the seasons
But I don't love you anymore
Anymore
Anymore
You said come back and spend the night
Come back and spend the night
With me
You said come back and spend the night
Come back and spend the night
With me
You said come back and spend the night
Come back and spend the night
With me
You said come back and spend the night
Come back and spend the night
With me And when you say you won't forget me
Well I can tell you that's untrue
'cause every day since you left me
I've thought less and less of you And I've worn out all the reasons
To keep on knocking at your door

Could be the changing of the seasons
But I don't love you
Anymore
