

# You Can Get It If You Really Want

Jimmy Cliff

You can get it if you really want  
You can get it if you really want  
You can get it if you really want  
But you must try, try and try  
Try and try, you'll succeed at last  
Look here Persecution you must bear  
Win or lose you've got to get your share  
Got your mind set on a dream  
You can get it, though harder they seem now You can get it if you really want  
You can get it if you really want  
You can get it if you really want  
But you must try, try and try  
Try and try, you'll succeed at last  
I know it, listen  
Rome was not built in a day  
Opposition will come your way  
But the hotter the battle you see  
It's the sweeter the victory, now You can get it if you really want  
You can get it if you really want  
You can get it if you really want  
But you must try, try and try  
Try and try, you'll succeed at last You can get it if you really want  
You can get it if you really want  
You can get it if you really want  
But you must try, try and try  
Try and try, you'll succeed at last  
You can get it if you really want  
(I know it)  
You can get it if you really want  
(Don't I show it?)  
You can get it if you really want  
(So don't give up now)  
You can get it if you really want  
(Keep on trying)
