

# Easy (Justin Credible Remix)

DaniLeigh

Yeah, yeah Let me catch a vibe, let's just take our time Just relax your mind, and take it easy  
Don't have to decide, you do, I do, I  
Don't have to be mine, let's take it easy Damn, we so fire, babe  
We been through the 305 highway  
Love it how you ride in the fast lane  
Make me wanna say, "That's my bae" (Yeah)  
Dani gotta behave, gotta be chill like a Sunday  
Never wanna look too thirsty  
But your drip got me feeling wavy  
Make you feel lucky, lucky  
Make you wanna love me, love me  
Baby, when you with me, with me  
Got no worries, worries  
I love it when you touch me, touch me  
Feelin' so lovely, lovely  
Make me wanna love me, love me  
Make me feel lucky, lucky Let me catch a vibe, let's just take our time  
Just relax your mind, and take it easy  
Don't have to decide, you do, I do, I  
Don't have to be mine, let's take it easy, yeah  
Let's take it easy  
Never gotta OD  
I just wanna love you like a homie  
Make you feel love like that OG  
It could feel just like the old days  
Okay, let's just be real  
I can tell you like how this feels  
Ain't no stress, no mistakes  
Put in that work, you gon' miss me Make you feel lucky, lucky  
Make you wanna love me, love me  
Baby, when you with me, with me  
Got no worries, worries  
I love it when you touch me, touch me  
Feelin' so lovely, lovely  
Make me wanna love me, love me  
Make me feel lucky, lucky Let me catch a vibe, let's just take our time  
Just relax your mind, and take it easy  
Don't have to decide, you do, I do, I  
Don't have to be mine, let's take it easy, yeah  
Let's take it easy  
Let's take it easy, yeah

Let's take it easy
