

What Your Name Is

Mario

Girl I've been watchin you for a very long time (mmmm)
And theres no doubt in my mind
That your not the one for me cant u see
And I dont want to seem pushy
But listen girl your body sayin something to me girl
I may be only 15
But that dont really mean that I cant be here talkin to you(Chorus)
Will you let me know if you want me to treat you to a picture show
(Dont u say no tonight)
And I wanna know if you'll let me kiss you one time
Before I take you home
(The suspense is killing me girl)
What yo name is can I be the only one u be claimin
What yo name is when u be out with your girls u be bangin
What yo name is can I be the only one that u be kickin it wit
What yo name is girl
Cause I know when I be spittin
U be wit it girl what your name is (yeah)
Girl all your friends may say
That I'm to young for you (yes they do)
But baby age ain't a thang
Cause I know what to do (yes I do)
I'll be your friend
And when your all alone
I talk to you all night
Til we fall asleep on the phone
So baby quit playin games
You know im feelin you
U know u got it that way girl
(Chorus)
Will you let me know if you want me to treat you to a picture show
(Dont u say no tonight)
And I wanna know if you'll let me kiss you one time
Before I take you home
(The suspense is killing me girl)
What yo name is can I be the only one u be claimin
What yo name is when u be out with your girls u be bangin
What yo name is can I be the only one that u be kickin it wit
