

Blue Cassette (Tiga Remix)

Friendly Fires

I found a tape in my back garden
A blue cassette covered in dirt
And through the dust the reels start
Turning
And played some memories stored in it
As I hear your voice it sets my heart on fire
That with all the noise
It sets my heart on fire
And I can't stop the reels from tuning
I can't stop the tape machine
As I hear your voice it sets my heart on fire
I found a place
I thought was stolen
A place that's built on noise and needs
And in my hand it spins so gently
Fills a void was winding me
As I hear your voice
It sets my heart on fire
That with all the noise
It sets my heart on fire
And I can't stop the reels from turning
I can't stop the tape machine
As I hear your voice it sets my heart on fire
Lay back down I told myself
How could I ever forget you?
As I hear your voice
It sets my heart on fire
That with all the noise
It sets my heart on fire
And I can't stop the reels from turning
I can't stop the tape machine
I found a tape in my back garden
A blue cassette covered in dirt
