

# Just Once

James Ingram

I did my best  
But I guess my best wasn't good enough  
Cause here we are  
Back where we were before  
Seems nothin' ever changes  
We're back to being strangers  
Wondering if we ought to stay  
Or head on out the door  
Just once Can we figure out what we keep doin' wrong  
Why we never last for very long  
What are we doin' wrong? Just once  
Can we find a way to finally make it right  
Make the magic last for more than just one night  
We could just get to it  
I know we could break through it  
Hmm hmm I gave my all  
But I think my all may have been too much  
Cause Lord knows we're not gettin' anywhere  
Seems we're always blowin'  
Whatever we've got goin'  
And it seems at times with all we've got  
We haven't got a prayer... Just once Can we figure out what we keep doin' wrong  
Why the good times never last for long  
Where are we goin' wrong? Just once  
Can we find a way to finally make it right  
Make the magic last for more than just one night  
I know we could break through it  
If we could just get to it Just once  
I want to understand...  
Why it always comes back to goodbye  
Why can't we get ourselves in hand  
And admit to one another  
We're no good without each other  
Take the best and make it better  
Find a way to stay together Just once... Can we find a way to finally make it right  
Whoa  
Make the magic last for more than just one night  
I know we could break through it  
If we could just get to it Just Once... Whoa, oh  
We can get to it... Just Once...
