Oh

Mmm Mmm MmmBambi, Bambi My dear, my dear, my dear My dear I want you here Don't get too near for there's lions bewareOh Bambi I won't lie If I weren't in this spider web of mine If grandfather never had seven wives Then darling you would be love of my life Oh Bambi it's my design To run the jungle I must be a lion Or be a cheetah but neither is fine Don't wanna hurt my dear love of my life Bambi, Bambi My dear, my dear, my dear My dear I want you here Don't get too near for there's lions bewareSometimes I hide When you FaceTime I text you back a lie Cause I'm afraid to look back in your eyes I'm terrified you were love of my life The woman among the tribe They will be jealous of this lullaby I'll drink alone in my hotel and cry Cause now they know you are love of my lifeBambi, Bambi My dear, my dear, my dear My dear I want you here Don't get too near for there's lions beware I wish that we were forever young I always knew that this day would come The fork in the road where I cannot run Between love and many I'm loving one I got the wedding invitation Bambi I'm happy that he wants to make a family But I cannot promise I won't run up in the church There screaming your name Bambi No one can take you from me Bambi No one can take you from me Bambi No one can take you from me BambiBambi, Bambi My dear I want you here Oh baby don't get too near No there are lions beware
