

# Never Be the Same

## Red

I know you, who are you now?  
Look into my eyes if you can't remember.  
Do you remember, oh? I can see, I can still find  
You're the only voice my heart can recognize  
But I can't hear you now, yeah. I'll never be the same  
I'm caught inside the memories, the promises  
are yesterdays and I belong to you.

I just can't walk away  
'cause after loving you  
I can never be the same.

2.

And how can I pretend I've never known you?  
Like it was all a dream, no.  
I know I'll never forget  
the way I always felt with you beside me  
and how you loved me then, yeah. BRIDGE.

You led me here,  
then I watched you disappear.  
You left this emptiness inside  
and I can't turn back time

No, stay!

Nothing compares to you.  
Nothing compares to you.

I can't let you go,  
Can't let you go.

I can't let go.

I'll never be the same,  
not after loving you,  
not after loving you, no. I can never be the same.

I will never be the same.

Whoa, whoa, whoa, whoa, whoa.

I just can't walk away.

No, I can't walk away from you.
