

Lo/Hi

The Black Keys

[Verse 1]

Out on a limb
In the wind of a hurricane
Down at the bar
Like a star in the howlin' rain[Pre-Chorus]
Nobody to love you
Nobody to care
If you got
Nobody to hug you
No one to answer your prayer[Chorus]
You get low (low), like a valley
Then high (high), like a bird in the sky
You get low (low), 'cause you're angry
Low high, high low

[Verse 2]

One at a time
Get in line for the masquerade
Drink till you cry
And you're lying in the mess you made[Pre-Chorus]
Nobody to love you
Nobody to care
Nobody to drug you
No one to hold back your hair[Chorus]
You get low (low), like a valley
Then high (high), like a bird in the sky
You get low (low), 'cause you're angry
Low high, high low

[Outro]

You get low (low), like a valley
Then high (high), like a bird in the sky
You get low (low), 'cause you're angry
Low high, high low
Low high, high low
Low high, high low
