

Who Dat Girl (feat. Akon)

Flo Rida

Hey, Ms Red Carpet
She can autograph my pockets
Anytime, anyplace, anyway
I'll be looking at everybody else
Watch it
I don't wanna be obnoxious
But this girl worth the gossip
Take away the smile
The tattoos now, forever she very guard less I imagine her topless
She might set off my rocket
Ten, nine, eight, seven, six, five, four, three, two, one
On and poppin'
She met Mark and then
Attitude like we arguing
... celebrate, glitter to my life
I should twitter this is girl, she's sparkling
[Akon:]
She ain't no rockstar
But she's got groupies
She ain't no actress
But she makes movies
And when she struts that thing around
Everybody be breaking their neck like
Who dat girl
Who dat girl
Who dat girl
She ain't got riches
But she's got fashion
She ain't a model
But camera's flashing
And when she struts that thing around
Everybody be breaking their neck like
Who dat girl
Who dat girl
Who dat girl
Hey, they wanna know my mama's name
'Cause that where she get from
They ain't never shot her with silicon
Shawty is her and her she's the real one
Touch one, grab one, feel one
I wish she would'a told me that
Ain't nothing wrong bringing the old me back

Little mamma knows my body so trophy glass
She worth it, bring me some Chloe bags
Like damn, can I be yo' police badge
Pull it up, get a little cozy and
Woman is sort'a like and oldie jam
Record some ssh
On a playboy cam

Rockstar, none of that practice
But she's got fanatics[Akon:]

She ain't got riches
But she's got fashion
She ain't a model
But camera's flashing
And when she struts that thing around
Everybody be breaking their neck like
Who dat girl
