

# All Night (Wayne G and LFB Remix)

## Icona Pop

We always dreamed about this better life, this better life  
We always felt it coming all along, yeah all along  
We've got the keys to open paradise, yeah paradise  
Now let's go walking hand in hand Come on baby we can hit the lights  
Make the wrongs turn right  
We can smash the clock  
make the pop go rock  
With a love this deep  
we don't need no sleep  
And it feels like we could do this all night  
We could do this all night  
Yeah everything is alright We've got the keys to open paradise, yeah paradise  
It feels like...  
we could do this all night  
(we could do this all night) Oh winter melts under the summer skies, the summer skies  
The seasons change, our hearts will stay the same, yeah stay the same  
We got that burning feeling, start a fire, start a fire  
Give it a shout, let's make it hot  
Come on baby we can hit the lights  
Make the wrongs turn right  
We can smash the clock make the pop go rock  
With a love this deep we don't need no sleep And it feels like  
we could do this all night  
We could do this all night  
Yeah everything is alright  
We've got the keys to open paradise, yeah paradise  
It feels like...  
we could do this all night  
Feels like...  
we could do this all night Come on baby we can hit the lights  
Make the wrongs turn right  
We can smash the clock  
make the pop go rock  
With a love this deep  
we don't need no sleep  
And it feels like...  
we could do this all night  
We could do this all night  
We could do this all night  
we could do this all night  
Yeah everything is alright  
We got the keys to open paradise, yeah paradise

It feels like...  
we could do this all night
