

# Tu Hi Re

## Hariharan & Kavita Krishnamurthy

Tu hi re, tu hi re tere bina main kaise jiyu  
Aaja re, aaja re yoon hi tadpa na tu mujhko  
Jaan re, jaan re in sanson mein bas ja tu  
Chand re, chand re aaja dil ki zameen pe tu  
Chaahat hai agar aake mujhse mil ja tu  
Ya phir aisa kar, dharti se mila de mujhko  
Tu hi re, tu hi re tere bina main kaise jiyu  
Aaja re, aaja re yoon hi tadpa na tu mujhko  
In saanson ka dekho tum pagalpan ke  
Aaye nahi inhein chain  
Mujhse yeh boli main raahon mein teri  
Apne bichha doon yeh nain  
In oonche pahadon se jaan de doonga main  
Gar tum na aayi kahin  
Tum udhar jaan ummeed meri jo todo  
Idhar yeh jahaan chhodun main  
Maut aur, zindagi tere haathon mein de diya re  
Aayi re, aayi re le main aayi hoon tere liye  
Toda re, toda re har bandhan ko pyaar ke liye  
Jaan re, jaan re aaja tujhmein sama jaaon main  
Dil re, dil re teri saanson mein bas jaaon main  
Chaahat hai agar aake mujhse mil ja tu  
Ya phir aisa kar, dharti se mila de mujhko  
Tu hi re, tu hi re tere bina main kaise jiyun  
Aaja re, aaja re yoon hi tadpa na tu mujhko  
Sau baar bulaaye main sau baar aaon  
Ik baar jo dil diya  
Ik aankh roye to dooji bolo  
Soyegi kaise bhala  
In pyaar ki raahon mein patthar hain kitne  
Un sab ko hi paar kiya  
Ik nadi hoon main chaahat bhari aaj milne  
Sagar ko aayi yahaan  
Sajna, sajna aaj aansu bhi meethe lage  
Tu hi re, tu hi re tere bina main kaise jiyu  
Aaja re, aaja re yoon hi tadpa na tu mujhko  
Jaan re, jaan re in sanson mein bas ja tu  
Chand re, chand re aaja dil ki zameen pe tu  
Pal-pal, pal-pal waqt to beeta jaaye re  
Zara bol, zara bol waqt se ke woh tham jaaye re  
Aayi re, aayi re le main aayi hoon tere liye  
Jaan re, jaan re aaja tujhmein sama jaaon
