

# Fencewalk

## Mandrill

Hey, got your big mouth running  
But it's not what you say  
It's what you do  
Huh, yeah Log on  
Tellin' folks do it softly  
Long steady do  
If I know you do Turn on your fear like a slowman  
Not what you think  
It's what you feel  
About a time we go to be there  
Don't think you feel  
If it's not for real  
Yeah, yeah, yeah  
Rocket do  
Said you want some  
Not what you want  
It's what you give Get what you want, yeah  
(Das good)  
Don't go to get what you don't want yet.
