Dancing Queen

Colin Firth, Stellan Skarsgård, Amanda Seyfried, Christine Baranski, Julie Walters & Pierce Brosnan

Ooh

You can dance

You can jive

Having the time of your life

Ooh, see that girl

Watch that scene

Dig in the dancing queenFriday night and the lights are low

Looking out for a place to go

Where they play the right music

Getting in the swing

You come to look for a king

Anybody could be that guy

Night is young and the music's high

With a bit of rock music

Everything is fine

You're in the mood for a dance

And when you get the chance You are the dancing queen

Young and sweet

Only seventeen

Dancing queen

Feel the beat from the tambourine, oh yeah

You can dance

You can jive

Having the time of your life

Ooh, see that girl

Watch that scene

Dig in the dancing queen

You're a teaser, you turn 'em on

Leave 'em burning and then you're gone

Looking out for another

Anyone will do

You're in the mood for a danceAnd when you get the chance

You are the dancing queen

Young and sweet

Only seventeen

Dancing queen

Feel the beat from the tambourine, oh yeah

You can dance

You can jive

Having the time of your life

Ooh, see that girl

Watch that scene
Dig in the dancing queen
Dig in the dancing queen
Dig in the dancing queen
