

# In This House (feat. Gucci Mane)

## Lil Wayne

[Verse 1: Gucci Mane]

Actin' like they killers, but them niggas just some hoes  
We act like this a studio, this really just a trap  
Everything we got, we had to whip it out the bowl  
Before we shake your hand, we'd rather slap you with the strap  
A million cash in hunnids, now they bring it to the door (Racks)  
20k for a coat that I ain't even wore  
This bitch so bad, I let her shop, I made 'em close the store  
She think she trickin' me, but bitch don't know my pockets swole (The money)  
Big bankroll, top floor South Beach (Top)  
Long money Gucci, ask your bitch 'bout me (Ask)  
Penthouse suite, four hoes, two weeks  
And all my shooters shootin; .223's 'bout me, wop

[Chorus: Lil Wayne]

Pick 'em with the AK-47  
Three-sixty-five, twenty-four seven  
Percocet got a nigga's nose sweaty  
But all the ho shit still so smelly  
Belch wrong, get your throat slashed  
Nigga, broke ass, where's your cash?  
Nigga, Santa Claus with no bag  
Nigga, you a ho-ho-ho ass, nigga [Bridge: Frank Ski & Lil Wayne]  
(Hoes in this house, there's some shos in this house)  
(There's some hoes in this house, there's some hoes in this house)

Nigga, you a ho-ho-ho ass, nigga

[Chorus: Lil Wayne]

Pick 'em with the AK-47  
Three-sixty-five, twenty-four seven  
Percocet got a nigga's nose sweaty  
But all the ho shit still so smelly  
Belch wrong, get your throat slashed  
Nigga, broke ass, where's your cash?  
Nigga, Santa Claus with no bag  
Nigga, you a ho-ho-ho ass, nigga [Verse 2: Lil Wayne]

Boy, you been a ho

I remember, ho

You ain't follin' Weezy F, and that's for friend or foe  
Tell them hoes in the house we kickin' the door  
He a ho and she a ho, now that's too many hoes  
Boy you been a ho since listening to your  
Fuckin' bitch, put her in the figure four  
Scope on the gun, better visual

Silencer make the bullets tippy-toe  
I don't give a fuck, never gave a fuck  
'Cause I always knew that a better day'd come  
Haven't been asleep, seven day run  
Never knew how a Chevrolet run  
Ice Cube, Eazy-E, Ren, and Dre  
I am the new NWA  
Nigga with a AK-47  
Three-sixty-five, twenty-four seven  
Take lives like students took lessons  
Jail time, felt like it took seconds  
I'm a Goodfella, was a dope seller  
All these ho niggas must be Hochella[Bridge: Frank Ski & Lil Wayne]  
(There's some hoes in this house, there's some hoes in this house)

You a ho-ho-ho ass, nigga[Chorus: Lil Wayne]  
Nigga with a AK-47  
Three-sixty five, twenty-four seven  
Percocet got a nigga's nose sweaty  
But all the ho shit still so smelly  
Nigga with a AK-47  
Three-sixty five, twenty-four seven  
Percocet got a nigga's nose sweaty

Nigga, Santa Claus with no bag  
Nigga, you a ho-ho-ho ass, nigga[Verse 3: Lil Wayne]  
No bullshit, my nigga  
I'm pushin' my triggers  
They lookin' for niggas in bushes, my nigga  
In the ocean, in the lake, in the woods, in the rivers  
They skies was gray and the bullets was silver  
Young Money on friend and my lady, my nigga  
You front on your money, you quittin', my nigga  
We kill you by breakfast and cook you for dinner  
The lesbians say you a pussy-ass nigga, ol' ho-ass nigga  
I put some pressure on your ho  
Make her tell me what she know  
Stop confessin' to that ho  
Stop confidin' in that ho  
Stop providin' for that ho  
You gon' die for that ho  
Suicide for that ho[Bridge: Lil Wayne]  
Boy, you been a ho  
I remember, ho  
You ain't foolin' Weezy F, and that's for friend or foe  
Tell them hoes in the house we kickin' in the door

He a ho and she a ho, now that's too many hoes[Chorus: Lil Wayne]  
Nigga with a AK-47  
Three-sixty five, twenty-four seven  
Percocet got a nigga's nose sweaty  
But all the ho shit still so smelly  
Belch wrong, get your throat slashed  
Nigga, broke ass, where's your cash?  
Nigga, Santa Claus with no bag  
Nigga, you a ho-ho-ho ass, nigga[Outro: Lil Wayne & Frank Ski]  
Boy, you been a ho  
I remember, ho  
You ain't foolin' Weezy F, and that's for friend or foe  
Tell them hoes in the house we kickin' in the door  
He a ho and she a ho, now that's too many hoes  
(There's some hoes in this house)
