

Hole in My Heart

Gavin James

I've got a hole in my heart
where your love used to be
I've got no air in my lungs
where I used to breath
I've got a hole in my heart
where your love used to be
And I don't want to close my eyes and fall asleep no
'Cos everytime I do I'm only dreaming of you oh
Oh and I don't want to live my life, half awake
Wishing for the words to say
If I asked you to stay just for a little while, just for a little while
longer
Would you push me away?
Or would you stay a while, just stay a while with me?
And fix the hole in my heart
Where your love used to be
Oh oh oh oh oh
oh oh oh oh oh
You were the thorn on the rose that I used to hold
You're the light on the match when I'm getting cold
Oh but there's no easy way with to live
When you've taking all I have to give
I pick you up each time you fall when we had to much alcohol
oh oh oh oh
If I asked you to stay just for a little while, just for a little while longer
Would you push me away?
Or would you stay a while, just stay a while with me?
And fix the hole in my heart
Where your love used to be
The words are falling out of my mouth again
Don't you listen to a thing
Oh it's funny how three words they don't mean a thing
When you're not here with me
If I asked you to stay
If I asked you to stay
Won't you please fix the hole in my heart
Where your love used to be
