

# Heartbeat (feat. Nicole Scherzinger)

Enrique Iglesias

Heartbeat  
Heartbeat heart-heartbeat  
Heartbeat  
Heartbeat  
Heartbeat heart-heartbeat I saw you talking on the phone  
And know that you were not alone  
But you're stealing my heart away Yeah you're stealing my heart away  
You're acting like you're on your own  
But I saw you standing with a girl  
Stop tryin' to steal my heart away Stop tryin' to steal my heart away  
I don't know where we going  
I don't know who we are  
I can feel your heartbeat  
I can feel your heartbeat  
He said to me  
I can feel your heartbeat Running through me  
Feel your heartbeat  
She said  
I can feel your heartbeat  
She said to me  
I can feel your heartbeat  
She said to me  
I can feel your heartbeat Running through me  
Your heartbeat, feel your heartbeat Maybe it's the way you move  
You got me dreaming like a fool  
That I could steal your heart away  
I could steal your heart away  
No matter what it is you think I'm not the kind of girl to blink  
And give my heart away Stop trying to steal my heart away I don't know where we going  
I don't know who we are I can feel your heartbeat  
{he said to me}  
I can feel your heartbeat {he said to me}  
I can feel your heartbeat  
{running through me}  
Your heartbeat  
Feel your heartbeat  
She said  
{I can feel your heartbeat} she said to me  
{I can feel your heartbeat}  
she said to me  
{I can feel your heartbeat} running through me  
Stop stealing my heart away

Stop stealing my heart away  
Stop stealing my heart away  
You're stealing my heart away I don't know where we're going  
I don't know who we are  
It feels like we are flowing  
High above the stars  
(stars, the stars, the stars, the stars...)  
OooooooooOoooooooo  
Heartbeat, heart-heartbeat  
I can feel it  
I can feel it  
I can feel it  
I can feel it  
I can  
I can feel your heartbeat  
{he said to me}  
I can feel your heartbeat{he said to me}  
I can feel your heartbeat  
{running through me}  
Your heartbeat  
Feel your heartbeat  
She said  
{I can feel your heartbeat}  
she said to me  
{I can feel your heartbeat}she said to me  
{I can feel your heartbeat}  
running through me  
{Your heartbeat}  
feel your heartbeat-beat-beat  
{Stop stealing my heart away}  
Just tell it to me girl  
{Stop stealing my heart away}  
Ooo {Give it to me boy}  
Stop stealing my heart away  
Just say it to me girl  
{You're stealing my heart away}  
Stop stealing my heart away  
(I can feel your heartbeat)  
Stop stealing my heart away  
(I can feel your heartbeat)  
Stop stealing my heart away  
(I can feel your heartbeat)  
Your heartbeat, your heartbeat
