

# Fela Kuti

## Wyclef Jean

Supa Mario with Wyclef  
Yeah  
(Mario)Lights, camera, action  
Where everyone's a superstar  
Hollywood  
She came to party  
We came to party  
We came to party  
Ey, everyone's a superstar  
Looka-looka-looka-looka-looka-looka here  
Truth or dare  
Spin the bottle, if you lose come out your bikini wear  
Kiss, like a Prince song (wouh wouh)  
She be winding, snake in a tree (in a tree)  
The voodoo is working on me (on me)  
Dance like Fela Kuti  
Mama sa makossa energy  
(Bad man) easy with the trigger  
Mothers love us, just like they love Jigga  
Bartender, come over  
Drink with for the winnersShe came to party  
We came to party  
We came to party  
We came to party  
Ey, everyone's a superstar  
Lights, camera, action (oh oh)  
Where everyone's a superstar (superstar)  
Hollywood (yeah)  
Mirror, mirror on the wall  
Who's the sexiest one of the all?  
He replied: Girl, you are a shooting star  
I can see through the dust  
You're my diamond in the rough  
Can't nobody get to us  
We real and they faking the love  
And we found our way  
Out of the maze  
From walking the block to running from cops  
Now we shower in planes  
I rock the screen  
To buy you a ring  
And we go back to Vegas

What happened in Vegas we don't gotta say Lights, camera, action  
Everyone's a superstar (superstar)  
Hollywood (wouh wouh)  
She came to party  
We came to party  
We came to party  
We came to party  
Ey, everyone's a superstar (wouh wouh) Lights, camera, action  
We came to party  
We came to party  
We came to party  
Ey, everyone's a superstar
