

Maria

03 Greedo & Kenny Beats

Yeah

Uh whassup (Westside story, arriba)
Tryna pull up in the Tesla with my feet up (Paisano)Ay, dio
Whoa, KennyTryna pull up in the Tesla with my feet up (Ayy)
Keep fuckin' up my re-up
So I pull up on María, she my señorita
And the plug is her peoples
She said she gon' let me meet up
So I pull up on María
Pull up in the Tesla with my feet up
Pull up on María
She's a señorita, and the plug is her people
She said she gon' let me meet up
Oh, pull strings like I'm Carlos Santana
Wild Thoughts, Bryson Tiller, Rhi-rhi uh
Why sing a fuckin' OVO career
Since I made shit and I been havin' diarrhea
I sold drugs when I ain't have an ID yet
One-oh-three right off the 105 freeway
Have you sold dope, and spoke Swahili to the Keeway
Damus, Pirus, a few Hispanic people
Run it up like Speedy, like arriba, arriba
I never been a rat, I had the packs inside the speakers
Drummer gang, when they gon' call the beef, we turn the beat up
Heat up, unload the chopper, let the Tesla help his lead up
Pull up in the Tesla with my feet up (Ayy)
Keep fuckin' up my re-up
So I pull up on María, she my señorita
And the plug is her peoples
She said she gon' let me meet up
So I pull up on María
Pull up in the Tesla with my feet up
Pull up on María
She my señorita, and the plug is her people
She said she gon' let me meet upMaria, she's full of grace, travelin' out the state
Matter fact the country, balloons while I float away
Powder in her nose, ain't no makeup on her face
She ain't tryna make mistakes, 'cause I know where this lady stay
Change the case and raise the stakes, I wrote up the latest estate
Baby, I'm a wolf, the moon, and nigga, let's see the cake
She shit out the project, then we clean it and wait away
Drummer gang, don't save the base, we handin' out 808's

Choppa turn a nigga dirty dreads to a taper fade
ARs for everyone, go open with artillery
Hit a nigga artery, make a nigga amputate (Gagagaga)Tryna pull up in the Tesla with my feet
up (Ayy)
Keep fuckin' up my re-up
So I pull up on María, she my señorita
And the plug is her peoples
She said she gon' let me meet up
So I pull up on María
Pull up in the Tesla with my feet up
Pull up on María
She my señorita, and the plug is her people
She said she gon' let me meet upOoh, yeah
Ooh, ooh, ayy
Damn
Ooh
Yeah
Ayy, ayy
