

# My Beloved Monster

## Eels

My beloved monster and me  
We go everywhere together  
Wearing a raincoat that has four sleeves  
Gets us through all kinds of weather  
She will always be the only thing  
That comes between me and the awful sting  
That comes from living in a world that's so damn mean  
My beloved monster is tough  
If she wants she will disrobe you  
But if you lay her down for a kiss  
Her little heart it could explode  
She will always be the only thing  
That comes between me and the awful sting  
That comes from living in a world that's so damn  
Mean  
La la la la la la la la  
La la la la la la
