

Nothing On You

Bobby V

Don't it feel good? Fool me, love me, kiss me, touch me
Treat me like I never did before
Skip the bed, we gon' stay here on the floor The way you kiss me so softly, I get to love it
Loving that we made, never felt it
I don't want nobody else but you
Girl, you do to me what the others can't do You're my heart, girl, soul, soul
What? Oh no
You're my heart, girl, soul soul
What? Oh no
These girls ain't got nothing on you
Nothing on you, nothing on you, I swear it
Ain't got nothing on you, nothing on you
I don't care about the other girls lyin'
Other girls tryin' to tear us apart
No, they got nothing on you, nothing on you She needs me, wants me
To love her unconditionally
Never met a girl that's down like her before
I got it all but we heard it's much more The way you kiss me so softly, I get to love it
Loving that we made, never felt it
I don't want nobody else but you
Girl, you do to me what the others can't do You're my heart, girl, soul, soul
What? Oh no
You're my heart, girl, soul, soul
What? Oh no
These girls ain't got nothing on you
Nothing on you, nothing on you, I swear it
Ain't got nothing on you, nothing on you
I don't care about the other girls lyin'
Other girls tryin' to tear us apart
They ain't got nothing on you, nothing on you The way you kiss me so softly, I get to love it
Loving that we made, never felt it
I don't want nobody else but you
Girl, you do to me what the others can't do You're my heart, girl, soul, soul
What? Oh no
You're my heart, girl, soul, soul
What? Oh no These girls ain't got nothing on you
Nothing on you, nothing on you, I swear it
Ain't got nothing on you, nothing on you
I don't care about the other girls lyin'
Other girls tryin' to tear us apart
They ain't got nothing on you, nothing on you Nothing on you
(You)

Nothing on you
(You)
Nothing on you
(You)Nothing on you
(You)
Nothing on you
(You)
Nothing on you
(You)
