

At My Weakest

James Arthur

[Verse 1]

It's a long night and a big crowd under these lights looking round for you,
Yeah I'm stepping outside under moonlight to get my head right, looking out for you.
Could it be your eyes, didn't know that I've, been waiting and waiting for you.
When you're by my side, everything's alright, I'm crazy, I'm crazy for you.[Pre-Chorus]
Here I go, down that road, again and again, the fool rushin in.
But I can't help, what I feel, some kind of way, do you feel the same?.[Chorus]
Cos I fall, I fall for you, you caught me at my weakest,
I fall, I fall for you, you caught me at my weakest,
And I fall for you.[Verse 1]

It's a long night and a big crowd under these lights looking round for you,
Yeah oh give me hope, rhyme, reason, desire living life only now for you, all for you.
See when you're by my side, everything's alright, I'm crazy, I'm crazy for you.
[Pre-Chorus]

Here I go, down that road, again and again, the fool rushin in.
But I can't help, what I feel, some kind of way, do you feel the same?.[Chorus]
Cos I fall, I fall for you, you caught me at my weakest,
I fall, I fall for you, you caught me at my weakest,
And I fall for you.[Bridge]

And now you kinda got a hold on me,
And tell me what you're gunna do to me baby,
Oh Now you've got, got your hands on me,
Oh tell me what you're gunna do...[Pre-Chorus]
Here I go, down that road, again and again, the fool rushin in.
But I can't help, what I feel, some kind of way, do you feel the same?.
[Chorus]

Cos I fall, I fall for you, you caught me at my weakest,
I fall, I fall for you, you caught me at my weakest,
And I fall for you.
