

# Skipping Stone

Amos Lee

I don't know if I can do this alone  
Oh after all our sweet love has flown  
I've been runnin'  
I've been skipping like a stone  
And I don't know if I can do this alone When I met her she was standing by a door  
I ain't never seen a light like that before  
Now she's left me for something more sure  
And I don't know if I can do this anymore  
Lovers will come  
Lovers will go  
And it's a rare seed  
From which true love might grow  
And if you see her won't you please say hello  
Cause I don't know if I can do this alone
