

Haven't Got Time for the Pain

Carly Simon

All those crazy nights when I cried myself to sleep .
Now melodrama never makes me weep anymore
'cause I haven't got time for the pain
I haven't got room for the pain
I haven't the need for the pain
Not since I've known you You showed me how, how to leave myself behind
How to turn down the noise in my mind
Now I haven't got time for the pain
I haven't got room for the pain
I haven't the need for the pain Not since I've known you I haven't got time for the pain
I haven't got room for the pain
I haven't the need for the pain
Suffering was the only thing
that made me feel I was alive
Though that's just how much it cost
to survive in this world
'til you showed me how,
how to fill my heart with love
How to open up and drink
in all that white light
Pouring down from the heaven
I haven't got time for the pain
I haven't got room for the pain
I haven't the need for the pain
Not since I've known you
I haven't got time for the pain
I haven't got room or the need for the pain
No, I haven't got time
I haven't got time
No, I haven't got time for the pain
I said no no no more pain
No no no no no more pain
I haven't got time for the pain
