

# Self Control

Dallask

## VERSE 1

I was gonna leave  
But you walked right through the door  
Caught up in my mind  
Couldn't think straight anymore  
The way you held me down like an anchor  
Put a weight on my heart that I never felt before  
PRE-CHORUS  
I'm just looking for company  
When I know that I shouldn't be  
You should go and find someone  
I hope that you don't find no one but me

## CHORUS

Turn around, walk away  
Cause I know that if you stay here I'll lose my self control  
Go before it's too late  
There's no way that you can stay here  
I've got no self control

## VERSE 2

I wanna hold you close  
But I keep telling myself  
You should run away  
Cause you got somebody else  
It shouldn't be this way with a stranger  
I know  
But what I feel for you isn't something I can help

## PRE CHORUS

I'm just looking for company  
When I know that I shouldn't be  
You should go and find someone  
I hope that you don't find no one but me  
Turn around, walk away  
Cause I know that if you stay here  
CHORUS  
I'll lose my self control  
Go before it's too late  
There's no way that you can stay here  
I've got no self control
