

# GOT MY NUMBER

## MONSTA X

???? (Monsta X) - Got My Number Lyrics  
If you need someone who can love you while he's  
gone  
Baby, you got my number, got my number, oh  
When you realize, it ain't him that's on your mind  
Baby, you got my number, got my number, oh  
Three dots tryna tell me (Yeah, yeah)  
Trying hard not to text me (Yeah, yeah)  
Is it 'cause your bed is empty? (Yeah, yeah)  
Is it right there and you can't see? (Yeah, yeah)  
Everybody wants what they want, love who they  
love  
I wouldn't judge and I can keep a secret so  
If you need someone who can love you while he's  
gone  
Baby, you got my number, got my number, oh  
When you realize it ain't him that's on your mind  
Baby, you got my number, got my number, oh  
So who you gonna call when you want to do them things that he won't do?  
Baby, you got my number, got my number, oh  
So who you gonna call when you want to do them things that he won't do?  
Baby, you got my number, got my number, oh  
Nobody needs to be lonely (Yeah, yeah)  
Just say that word and you won't be (Yeah, yeah)  
'Cause I don't want to turn up your heartbeat (Yeah, yeah)  
And if you got dials, baby, no need (Yeah, yeah)  
Everybody wants what they want, love who  
they love  
I wouldn't judge and I can keep a secret so  
If you need someone who can love you while he's  
gone  
Baby, you got my number, got my number, oh  
When you realize, it ain't him that's on your mind  
Baby, you got my number, got my number, oh  
So who you gonna call when you want to do them things that he won't do?  
Baby, you got my number, got my number, oh  
So who you gonna call when you want to, do them things that he won't do?  
Baby, you got my number, got my number, oh
