

My Terracotta Heart

Blur

And the bright rays we got in summertime
Seemed like a breath of fresh air back in the summertime
When we were more like brothers, but that was years ago
So if it doesn't seem like a protocol I'm running out of heart today
I'm running out of open road to you
And I know you are emoting and you're dazed
Is something broke inside you?
Cause at the moment I'm lost
And feeling that I don't know
If I'm losing you again
And when we fly tomorrow over the Java sea
And my younger match will be there with me
Cause they remind me of swimming out too far one day
Then the coral was gone, but I didn't care anyway I was running out of heart that day
I was running out of open road to you
And I know I was emoting, I was dazed
Is something broke inside me?
Cause at the moment I'm lost
And feeling that I don't know
If I'm losing you again
I'm running out of heart here
Just sitting out the constant doubt in my day
But I don't know what it is
I'm sweating out the toxins
Is my terracotta heart breaking?
I don't know if I'm losing you
If I'm losing you again
