

This Is the Day

Fred Hammond

Yeah

Just clap yo hands like this
Just clap your hands like this Yeah let's wake up the church with this old school jam
Shout to the lord in here

You know that he's good and his mercy endureth forever and the people of God said
They said what And the people of God said yeah

And the people of God said yeah

And the people of God said yeah

And the people of God said yeah

Now we serve notice to depression, confusion

All maner of evil and every sickness

You can in to bind but you cannot stay

'cause the people of God we ani't havin' it

It's a good day, even though i cried last tuesday

And I was outter cash by friday

No matter what comes next, I'm gonna stand up

And give him the praise

'cause this is the day This is the day, this is the day

That the lord has made, that the lord has made

I will rejoice, I will rejoice

And be glad in it, glad in it This is the day that the lord has made

I will rejoice and be glad in it

This is the day, this is the day

That the lord has made

This is the day, this is the day

That the lord has made, that the lord has made

I will rejoice, I will rejoice

And be glad in it, glad in it This is the day

That the lord has made

I will rejoice and be glad in it

This is the day

This is the day that the lord has made This is the day

That the lord has made

I will rejoice and be glad in it

This is the day

This is the day that the lord has made That the lord has made

That the lord has made

That the lord has made As I look back over all the years that I made it through
Can't imagine (ooh ooh) where i'd be now (ooh ooh) if it wasn't for you (wasn't for you)

Why your favor rests upon me I could never explain Your favor is just what I needed

Why your favor rests upon me I could never explain Your favor is just what I needed

Why your favor rests upon me I could never explain Your favor is just what I needed

But I'm so glad that I can say
I will rejoice And the people of God said yeah
