

# Big Cars & Blow Jobs

## Alice Donut

Big cars and blow jobs  
Wing tipped leather shoes  
Champagne and cigars  
Fifth avenue Revenge and passion  
Oil wells in flames  
Diamonds and stallions  
Rhinestone parades  
Heather's still alive though she died in a crash twenty years ago  
Colby's evil twin rushes in from the castle out in monaco  
Donna's put away in a rage by her enemies at the company  
Bartleberry jones what a rogue with a gun corporate sabotage  
Linda catches fred in the bed with the maid and the gardener  
Heather's still alive though she died in a crash twenty years ago  
Hey batter batter batter batter  
Hey batter batter batter batter  
Swing
