

# Spring Love

Stevie B

I remember when we first started  
You came to me and you were broken hearted  
I took you in and wiped all your tears away  
I gave you loving more than any other gave  
Don't you know I'm the one and I love you girl  
I don't care what they say you know you are my world  
Come back home to the one  
Who loves you more and more  
Soon you'll see that it was me you were searchin for  
Oh my love searching for  
I really need you  
I really want you baby  
I need you and I want you baby  
Spring love, come back to me I gotta have you baby I can remember the first time we ever met  
The sun was shining  
Love was gleaming in the air  
You caught my eye and the next thing that I knew  
I was in love, I was so in love with you  
We were so close for a season of my life  
I wanted so much to have you for my wife  
But something changed  
Season came to an end I had to leave you  
And that's where my heartache began  
Spring Love come back to me  
I need you and I want you baby  
Spring love come back to me  
I really need you  
I gotta have you baby  
Spring love is on my mind and I won't forget  
The way we shared the way we cared  
And I don't regret it  
I don't regret it, come back to me darlin  
Springlove is on my mind  
And I won't forget  
Come back to me darlin  
The way we shared the way we cared  
I really need you my springtime lover
