

Trust (feat. Rae Morris)

Kungs

Show the moon won't be color
We would never be terrified
Show the moon we don't take hardest
We just wanna good night Become, (at you) walking on to in this (nothing yet)
We having game to the lions
I don't wanna living wanna, so we got send of all them
Don't wanna wake up
In same a bad again
Try to escape them
Than let make it them.
We need more Trust. Trust. Show the moon won't be color
We would never be terrified
Show the moon we don't take hardest
We Just wanna Good night We can, (at you)
What we had do to in this (in this)
We having this game lions
Now we got a living splendid
I already we will remember Don't wanna wake up
In same a bad again
Try to escape them
Then let make it high. We need more Trust. Trust. We need more Trust. Trust.
If you can hear me right now
Everybody take now
We just gonna rules now
The moment how
