

Come on, stab meBaby, make your move  
Step across the line  
Touch me one more time  
Come on, stab meBaby, make your move  
Step across the line  
Touch me one more time  
Come on, stab meBaby, make your move  
Step across the line  
Touch me one more time  
Come on, stab meMake your move, cross the line  
Make your move, cross the line  
Make your move, cross the line
