

Walk Me Home

[Mandy Moore](#)

walk me home, i don't wanna go all the way alone
baby would you walk with me home
baby would you take my hand
come with me now to a special land
baby would you walk with me home 3 A.M., you're on my mind once again
i must have been dreamin
thought i felt your heartbeat just then
and i wondered how it would be
if i was your lady and you were my friend
i would put my heart in your hands
and it would never end

CHORUS

baby would you walk me home? (walk me home)
i don't wanna go all the way alone (all alone)
baby would you walk with me home?
baby would you take my hand? (take my hand)
come with me now to a special land (ohh)
baby would you walk with me home? ohh ohhhoh (2x)
la la la la la i hold your picture
next to my heart all the time
ohh yeah baby you're my dream come true
so glad you're mine
and i wonder how it would be
if i was your lady and you were my friend
i would put my heart in your hands
and it would never end
CHORUS everyday and night i wanna hold you (hold you)
understand i am going to love you
in my own special way (in my own special way) (CHORUS x2) ohh
won't you walk with me home?
