

# Stand Up

## Steel Dragon

Yeah

Stand up and shoutStand up and shout

Stand up stand up

Stand up and shout and let it out

Stand up and shout

Stand up stand up stand upI know what you want and what your thinking

I can free your sexuality.

No ones ever tortured you with pleasure

Pleasures all you'll ever feel from me

Stand up and shout

Stand up stand up stand up and let it out

Stand up and shout

Stand up stand up stand upI just want to see you in the garden

Dressed up as you came into this world

Shining through the candle of deception

Lighting up the underlying worldStand up and shout

Stand up stand up stand up and let it out

Stand up and shout

Stand up stand up stand upYeah

Stand up and shout

Stand up and shout

Stand up stand up stand up and let it out

Stand up and shout

Stand up stand up stand up
