

Off Limits (feat. GLADES)

BAYNK

If you got something to say
Just say it right away
Don't hide under our breath You keep giving me the signs
Tell me what's on your mind
Don't let it hold you back I remember the night i was tongue tied
And we both kept our secrets inside
You said we should always be honest
But being honest is the hardest Baby just tell me
(Baby just tell me)
What you need to tell me
(What you need to tell me)
Just got to go with it
'Cause nothing's off limits
So why don't you just tell me
(So why don't you just tell me)
What you need to tell me
(What you need to tell me)
Just got to go with it
'Cause nothing's off limits
Nothing's off limits So what you gonna to do
You know i am into you
We have something so good I've been waiting so long
Tell me whats you really want
Don't be scared to make your move I remember the night i was tongue tied
And we both kept our secrets inside
You said we should always be honest
But being honest is the hardest
Baby just tell me
(Baby just tell me)
What you need to tell me
(What you need to tell me)
Just got to go with it
'Cause nothing's off limits So why don't you just tell me
(So why don't you just tell me)
What you need to tell me
(What you need to tell me)
Just got to go with it
'Cause nothing's off limits
Nothing's off limits I remember the night i was tongue tied
And we both kept our secrets inside
You said we should always be honest
But being honest is the hardest Baby just tell me

(Baby just tell me)
What you need to tell me
(What you need to tell me)
Just got to go with it
'Cause nothing's off limits So why don't you just tell me
(So why don't you just tell me)
What you need to tell me
(What you need to tell me)
Just got to go with it
'Cause nothing's off limits
Nothing's off limits
