

# Jesus Is Just Alright

## DC Talk

Do do do dupe dupe  
Do do do dupe  
Do do do dupe dupem dupe dopem do  
Check it for me one time  
Ohhhh, yeah yeah Jesus is still alright with me  
Jesus is still alright, oh yeah  
Jesus is still alright with me  
Jesus is still alright (He's alright!) Toby Mac, and the Mac is back - no slack  
On a DC track that's jacked,  
Beyond comprehension  
I believe that I failed to mention  
That there's a lack of recognition  
When it comes to His position  
Cause if Christ can't be crossed over,  
Then I'll keep my beat up Nova  
Jesus is still alright with me  
Jesus is still alright, oh yeah  
Jesus is still alright with me  
Jesus is still alright I don't care what they may say  
I don't care what they may do  
I don't care what they may say  
Jesus is still alright  
Alright with me, yeah Back in place, and I'm all up in your face  
With a rhyme that I embrace,  
Like a mother to her child  
I'm kickin' it Jesus style  
To the ones that think they heard  
I did use the "J" word  
'Cause I ain't too soft to say it  
Even if DJ's don't play it  
Do do do do do do do do  
Do do do do do do do do  
Do do do do do do do do  
Jesus is still alright  
Oh, I'm hopin' and I'm praying Jesus is still alright  
Jesus is still alright, oh yeah  
Jesus is still alright  
Jesus is still alright, oh yeah Jesus is alright, I know He's alright  
Jesus is alright, you know He's alright  
Jesus is alright, we know He's alright  
Jesus is alright, we know He's alright Now we come to the pay off I'm down with the one that is  
known as the Son

Of the G to the O to the D never done  
With the flow, in the know, on the go like a pro  
Not for show cause I ain't in the biz for the dough  
Or the me, or the ray, all the dough's gotta stay,  
Cause I can't, no I can't, take it home anyway  
Never trite when I write 'cause the Lord is my light  
And His Word is my bond so ya know, (know, know, know, know...) He's alright Jesus is still  
alright with me  
Jesus is still alright, oh yeah  
Jesus is still alright with me  
Jesus is still alright I don't care what they may say  
I don't care what they may do  
I don't care what they may say  
Jesus is still alright  
Jesus is alright with me, yeah Do do do do do do do do  
Do do do do do do do do  
Do do do do do do do do  
Jesus is still alright Think about it...
