

Mommy

Missy Elliott

Please stand up
In 2005, the industry will be pussy-whipped
It won't be easy Mommy look good, yeah mommy look right They like mommy with the cute
face, can I get a date?
Mommy got a cool shake, mommy make 'em wait
Papi havin' trouble tryin' to keep up the pace
Mommy got the faith I let my pussy be the bait Mommy got that good shit, that really good shit
The type of chick you get with, that really good shit
Mommy got them niggaz goin' crazy for the ass
Call me Flash, make a dash, get a nigga for his cash Mommy nuck and buck with a quick
uppercut
Mommy sport shell toes, I put my Nike's up
I used to dress D-boy, now I dress girly
Wake up real early with my braids lookin' curly
Mommy let 'em know who she is, what she 'bout
Yeah she 'bout money, mommy turnin' niggaz out
Mommy got bills, car sit on big wheels
In the club mommy chill while them haters ice grill Mommy cute like Fendi suits
Mommy fresh these my real breasts
Mommy sex 'cause mommy groan
Mommy be that good shit at home Mommy, mommy, mommy, mommy
Damn mommy, roll like armies
Mommy ass like a Cadillac
Mommy give 'em heart attacks They call me lil' momma lookin' big in my Hummer
Momma on the corner, lil' momma be a stunner
Fly to the Hummer quick faster than a runner
Foot on the gas, vroom, engine gunner
Mommy look good, yeah mommy look right
Mommy stay hood, mommy be yo' type
Mommy get excited, mommy ask you to bite it
Mommy know you like it, tell papi don't fight it Capital M O M M Y

Mommy got a deal, mommy spit shit real
Mommy give 'em chills when she wear high heels Mommy get the money, get the money, get
