

Doin 2 Much

Moneybagg Yo & Yo Gotti

I got a thang for bitches
Ion really hang with bitches
But if you see me with em, 9 times outta 10 I'm banging them bitches
All we do is fuck! But she say we dont do it enough
Calling my phone, going ham
Damn Pam you be doin 2 much
All on my instagram, tryna spazz out you be doing 2 much
Wanna screenshot while we facetime, you be doin 2 much
Got me on speakerphone round yo friends?
Hoe you really doin 2 much
All at my shows, pulling on my clothes hoe you really doing to much
Bitch thought she had a blessing, hoe lied like she pregnant
To tell the truth she was messy, screenshotting our messages
Ain gon lie, i hit 'er a couple times
I really was thirsty tho!
She was one of them bitches you hit in the morning, like "Come to the door! "
Resting her eyes while she drive, she coming str8 to me
(She coming str8 to Daddy!)
She put that ratchet pussy, head on me. Nigga I'm going str8 to sleep
I tried to tell a phony, she a phony. I can't have fucking with you on my name
We started off cool but then the shit changed
I guess that good dick dun fuck her up brain
Hold up, hold up lil bitch you tripping out. I gotta bitch at the house
You not my style
With that adapt, i stopped fucking with you. Had to cut you off, like some scissors a do
Ain got lie, yo like action was clutch but you was doin 2 much! Telling yo friends what we got
going on, bitch keep that onna hush
I fell in love with Keisha
I had a thang for Tamika
That hoe was asking to much, she made it hard to keep it
I had a Minaj for cheaper. (2 girls)
I had a garage of reefer (Loud!)
When you get money and everybody begging, that shit have you dodging people
I use to be robbing people, these bitches be charging people
I had a lil bitch at the mall, so bad
I went to her job to meet her
I still be lying to bitches, these niggas be crying to bitches
These niggas be doin 2 much, these bitches be trying these niggas
These niggas be stressing, these hoes be messy. but Ion be giving a fuck
I dont wanna talk to you, i dont wanna kick it or give a you band to fuck She caught me
slipping, she took a picture Then sent that shit to her friends (GroupText)
He better sleep in that pussy again (2xs) I got a thang for bitches

Ion really hang with bitches
But if you see me with em, 9 times outta 10 I'm banging them bitches
All we do is fuck! But she say we dont do it enough
Calling my phone, going ham
Damn Pam you be doin 2 much
All on my instagram, tryna spazz out you be doing 2 much
Wanna screenshot while we facetime, you be doin 2 much
Got me on speakerphone round yo friends?
Hoe you really doin 2 much
All at my shows, pulling on my clothes hoe you really doing to much
