

# Gonna Tell Everybody

Christina Milian

DEDICATED TO NICK CANNON[Intro]

I don't wanna say I still loved you  
It hurts me everyday thinkin' about  
Who you were kissin not me  
Oh nana nana nana (not me)  
Oh nana nana nana  
I'mma speak the truth  
I ain't gon lie

I let you go with all the tears I cried

Thought we was goin' die  
Oh nana nana nana  
Oh nana nana nana  
And I'm gonna tell everybody  
Cuz you cheated

And I'm Gonna tell everybody  
In the streets

And I'm Gonna tell everybody  
I don't need you

And I'm Gonna tell everybody  
So ya leavin

And I'm Gonna tell everybody  
I don't need it

And I'm Gonna tell everybody  
Don't believe it

And I'm Gonna tell everybody  
Ya deceive it

And I'm Gonna tell everybody now  
Damn

[Verse 1]

Sittin' up in my room

I'm lightin candles

Handlin' my handle thinkin why

I could I let this situation get the best of me

When I gave the best of me

It's just crazy how one minute we connect

I was baby ya lady sweet sadie

Holdin' hands was your favorite

{Now I} Now I ain't got no sad song to sing

You stepped wrong to me, cuz I was here the minute but

Since we separated I know you will never find

Another chick like me that's why I stay up on ya mind

I know it's hard for you to hear, but I ain't got the time

I moved on, I moved on  
I don't want you now I don't wanna say I still loved you  
It hurts me everyday thinkin' about  
Who you were kissin not me  
Oh nana nana nana (not me)  
Oh nana nana nana  
I'mma speak the truth  
I ain't gon lie

I let you go with all the tears I cried  
Thought we was gon' die  
Oh nana nana nana  
Oh nana nana nana And I'm gonna tell everybody  
Cuz you cheated  
And I'm Gonna tell everybody  
In the streets  
And I'm Gonna tell everybody  
I don't need you  
And I'm Gonna tell everybody  
So ya leavin  
And I'm Gonna tell everybody  
I don't need it  
And I'm Gonna tell everybody  
Don't believe it  
And I'm Gonna tell everybody  
Ya deceive it

And I'm Gonna tell everybody now [Verse 2]

I ain't trippin' I'm just sayin  
Look at what'cha missin out on now  
Yep it's all out now, I'm goin' all out now  
And I ain't gon cry about  
Grab my keys to that Bentley GT  
Call all my girlfriends and ride  
You ain't go nothin' on me  
{Christina's goin out to party}  
You ain't got nothin' on me  
You ain't go nothin on me  
Really this thang ain't nothin  
You ain't got nothin' on me  
{Run and go tell everybody}  
You ain't got nothin' on me  
You ain't got nothin' on me

Really this thang ain't nothin I don't wanna say I still loved you  
It hurts me everyday thinkin' about  
Who you were kissin not me  
Oh nana nana nana (not me)  
Oh nana nana nana  
I'mma speak the truth  
I ain't gon lie  
I let you go with all the tears I cried

Thought we was goin' die  
Oh nana nana nana  
Oh nana nana nana  
[repeat with Christina ad-libs]  
[music fades]
