

My Eyes Adored You

Jersey Boys

My eyes adored you
Though I never laid a hand on you
My eyes adored you Like a million miles away
From me you couldn't see
How I adored you?
So close, so close and yet so far away Carried your books from school
Playing make-believe, you're married to me
You were fifth grade, I was sixth
When we came to be Walking home every day
Over Barnegat bridge and bay
Till we grew into the me and you
Who went our separate ways
My eyes adored you
Though I never laid a hand on you
My eyes adored you Like a million miles away
From me you couldn't see
How I adored you
So close, so close and yet so far Headed for city lights
Climbed the ladder up to fortune and fame
I worked my fingers to the bone Made myself a name
Funny, I seem to find that
No matter how the years unwind Still I reminisce about the girl miss
And the love I left behind
My eyes adored you
Though I never laid a hand on you
My eyes adored you
Like a million miles away
From me you couldn't see
How I adored you
So close, so close and yet so far
All my life I will remember
How warm and tender
We were way back then
Though I'm feeling sad regrets
I know I won't ever forget
You, my childhood friend
My eyes adored you
Though I never laid a hand on you
My eyes adored you
Like a million miles away
From me you couldn't see
How I adored you

So close, so close and yet so far
