My Eyes Adored You

Jersey Boys

My eyes adored you
Though I never laid a hand on you
My eyes adored youLike a million miles away
From me you couldn't see
How I adored you?

So close, so close and yet so far awayCarried your books from school Playing make-believe, you're married to me

You were fifth grade, I was sixth

When we came to be Walking home every day

Over Barnegat bridge and bay

Till we grew into the me and you

Who went our separate ways

My eyes adored you

Though I never laid a hand on you

My eyes adored youLike a million miles away

From me you couldn't see

How I adored you

So close, so close and yet so farHeaded for city lights

Climbed the ladder up to fortune and fame

I worked my fingers to the boneMade myself a name

Funny, I seem to find that

No matter how the years unwindStill I reminisce about the girl miss

And the love I left behind

My eyes adored you

Though I never laid a hand on you

My eyes adored you

Like a million miles away

From me you couldn't see

How I adored you

So close, so close and yet so far

All my life I will remember

How warm and tender

We were way back then

Though I'm feeling sad regrets

I know I won't ever forget

You, my childhood friend

My eyes adored you

Though I never laid a hand on you

My eyes adored you

Like a million miles away

From me you couldn't see

How I adored you

So close, so close and yet so far
