

# I Don't Deserve You (Seven Lions Remix)

[Paul Van Dyk & Plumb](#)

You're the first face that I see and the last thing I think about  
You're the reason that I'm alive, you're what I can't live without  
You're what I can't live without  
And never give up when I'm falling apart  
Your arms are always open wide  
And you're quick to forgive when I make a mistake  
You love me in the blink of an eye I don't deserve you now but you give it to me anyway  
Can get you now, you're everything I need  
And when I walk away take off running and come right out to me  
It's what you do and I don't deserve you  
You're the light inside my eyes, give me a reason to keep trying  
Give me more than I could dream and you bring me to my knees  
You bring me to my knees  
Your heart is gold and how am I the one  
That you've chosen to love  
I still can't believe that you're right next to me  
After all that I've done I don't deserve you now but you give it to me anyway  
Can't get enough, you're everything I need  
And when I walk away take off running and come right after me  
It's what you do and I don't deserve you You're the first face that I see and the last thing I think  
about  
You're the reason that I'm alive, you're what I can't live without  
You're what I can't live without  
And never give up when I'm falling apart  
Your arms are always open wide  
And your quick to forgive when I make a mistake  
You love me in the blink of an eye  
I don't deserve you now but you give it to me anyway  
Can't get enough, you're everything I need  
And when I walk away take off running and come right after me  
It's what you do and I don't deserve you
